阿しか里

Kaiseki Ryōan ASHIKARI

懷石旅庵 阿しか里

- Established over 80 years ago, a high-end hot spring boutique resort ryokan with the fusion of elegant Sukiya architecture and stylish design, nestled in a 6,600 sqm wooded hill among the historic hot spring town of Yugawara, located between the Hakone and Sagami Bay.
- Over 1,500 years ago at the Manyo era, Yugawara founded as hot spring destination effective against diseases continuingly healing people.
- Fusion of Japanese traditional Sukiya architecture and modernity-Spatial design integrating with the richness of nature.
- A total of 17 rooms with open-air hot spring baths on a large deck, a fusion of Japanese traditional and noble style, overlooking the Yugawara and the Hakone forest nature.
- Delicate and splendid, traditional kaiseki cuisine reflecting the four seasons, served in two different occasions, restaurant and in room dining.
- Two natural open-air large baths with Yugawara's hot springs furnishing Japanese style, one with the scenery of Hakone's outer rim, and the other with traditional Japanese courtyards, healing the mind and body, promising total relaxation.
- The legendary history of Yugawara and Ashikari promising hospitality serving the heartfelt memories to the all of visiting guests.
